Project Action Kick-a-thon results

Thank you and congrats to all supported the Project Action kick-a-thon. We collected 800 dollars the day of the event, and as the money continues to be collected, we are estimating a total of around 1,700 or 1,800. It is well below our goal, but still respectable. Martinsville students did a total of 26,760 kicks and Spencer added an additional 2,400. All participants at Martinsville made the 1,000 club (including dragons sized students Lawton Hammack, Colby Hadinger, Grant Ksenak, Tyler Martens, DJ Fishel), but the top kicker was Catie Willhardt with 1,700 kicks. Josh Meador, Jayse Willhardt, Neal Fashimpaur, Tanner Norman, Josh Middleton, Sebastian Pierson, Josh Cheser, and Shelby Moler all completed over 1,500. Top honors at the Spencer school goes to Chris French who did 600 kicks and raised over 200.00.
