### Welcome back DPU clubs

DePauw clubs are in full swing again, and already it looks to be one of our strongest semesters. It is great to see everyone again and we hope to see the few holdouts that are left.

### Parent/Student/Teacher conferences in Martinsville

This is our intermittent spot check where you get to tell us how we are doing and suggest how we can make our programs even better. Parents or students may sign up for a conference slot on the schedule that is posted; conferences to be held Feb 3-14. There are still several slots available, so please sign up. We value your input.
