DPU Does well at the IU Tournament

Our students from DPU had a great tournament at Indiana University which also included Purdue. Although being one of the smallest schools there, the DPU TKD club team won 3 out of 5 sparring divisions that they entered, and medaled in four out of five forms divisions. Congrats to the following:

Chris Lawburgh	1 st forms, 3 rd sparring	Evan Mathews	1 st forms
Leah Sirmin	2 nd forms, 1 st sparring	Josh Enneking	1 st sparring
Josh Wyant	3 rd forms, 1 st sparring		

Demo team news

Demo practice on Friday the 10th will be breaking only. March 11th will be the last general practice before cuts are made and lines are set for the tournament demo. Friday evening practices will continue with the tournament show group for the rest of the month. Also note the practice on the 25th. Lastly, there will be no Black belt club class the Thurs before the tournament (good idea for them to rest anyway), so we are having a practice on Thurs night before the demo.

Make sure everyone brings their demo top to the tournament (but not worn at the tournament). That evening, demo team needs to plan on being ready to walk through the show at 5:00. That means in uniform, ready to go at 5:00 (not showing up at 5:05).

Tournament news

Tournament entry forms are due by March 18th. Tournament begins at 10:00. GMA group picture will be taken at 9:30. This is the group shot for the yearbook, newspaper, etc. Be in uniform and ready to go for the picture. (Make sure you check and re-check to make sure you have your full uniform, including belts). Be sure to get to the finals early to get a seat and be vocal to show support for our finalists and demo team. Make sure to also show your support by wearing GMA apparel, including GMA Parent T-shirts, throughout the day.

Both students and parents should take time to review the tournament etiquette section of the manual.

*** We also have a few people who still need rides the day of the tournament. If you are going down just for the day of the tournament and can help in transportation, please let Sarah know. We appreciate everyone helping to ensure the whole GMA team can participate. ***

Good luck to BB candidates:

TTCA testing is at the Louisville Main School on Friday night before the tournament. Anyone is welcome to come and watch. Good luck to our candidates: Chris French, Thomas McGuire, Nick Fine and Jessica Mason. Also, good luck to Mr. Pierce and Miss Dill on their bo (step) tests.
